

Mark Stephens
Architects

DESCRIPTION:

The project involved the extension and refurbishment to a traditional 2 storey Irish farmhouse. The new works are separated from the original by a glazed 'linking bridge' that creates a distinct separation of new from old.

The new extension is contemporary in design and modernist in principle.

The project was completed to 'builders' finish in late 2013 with decoration due for completion in 2013.

LOCATION:

Castlerea

County Roscommon
